Why is the town board so afraid of the ward system? Seems like a real opportunity to unite the town. lohud.us/1uoC4bk @CouncilmanDF

@DebsMusings Who said they are afraid? I'm certainly not & I will fight against any attempt to appeal the judge's ruling on the ward system.

@CouncilmanDF What is the town's plan to let the public know about the Ward Referendums?

@CouncilmanDF Being ordered by the court to pick a date is not the same as voting for it. The Board has a responsibility to let people know.
