Subject: FOIL Request Email List

I am requesting under FOIL a list of all resident emails that have been submitted to the Town of Ramapo for the purpose of being sent Town of Ramapo information.

This includes but is not limited to an export of the emails from the ConstantContact email lists.

I ask that the results be sent to me electronically in a .txt, .csv, .doc(x), or .xls(x) format.

Please share the instructions for exporting email lists from constant contact to whatever administrator is responsible for the list: <http://support2.constantcontact.com/articles/FAQ/1694>

Thank you for your help in this matter.

Deb
